

COMPANION REMEDIES

Companion remedies are designed to help bring various tones of uplifting or calming energy to your system to help restore balance, grounding, inner alignment, and authentic joy. They pair well with each other, and all the Immortal Wellness remedies.

BLUE LOTUS is a **prized flower** known to reduce anxiety and promote states of calm, relaxation, and euphoria. This exquisite remedy is highly beneficial for **soothing the nervous system**. It helps turn down the external noise and restore a sense that all is right with the world.

***Blue Lotus** is safe for children and may help calm them during times of tantrum, overwhelm, hyperactivity, hyper emotionality, or stress.

CREATION is a “**soul song**” of harmonious vibrational essences that helps lift you up and elevate your mood. It is designed to give you the **feeling of having “your best day ever”** and can help to establish this is a pattern so it becomes your natural way of being all the time.

TRANQUILITY is a stronger version of **Blue Lotus** with additional elements that support sleep, nervous system calming, and deep relaxation. It is indicated for those who have trouble sleeping; feel stressed out or anxious; feel overstimulated or wired from coffee, caffeine, or other stimulants; want to relax and calm down your nervous system.

GOLDEN SPIRAL is the “**inner architect**” of the IW collection, realigning you with the original golden ratio that everything in nature is built upon. It is designed to give you the feeling of essential correctness within yourself, the sense that you are part of the golden mean, and that all your structures are working correctly within this golden ratio—some people call this “the flow state”.

Golden Spiral helps filter out external noise that causes internal chaos and imbalance, and works to reorganize and rebalance you into a harmonious state. From here, a sense of true purpose and wholeness within existence can be restored.

PURE AMMA offers the frequency of **Oxytocin “the love hormone”**. This remedy gives you a sense of feeling unconditionally loved, boosts self esteem and self-acceptance, and elevates creativity.
